

## **Public Notice - Environmental Permit**

**PURPOSE OF NOTICE:** To seek public comment on a proposal to allow certain soils excavated by Marymount University to be reused without restrictions or notification.

**PUBLIC COMMENT PERIOD:**

July 28, 2014 to August 27, 2014.

**PROPERTY NAME AND LOCATION:** The property is owned by Marymount University and is located at 1000 North Glebe Road in Arlington, Virginia. The property is identified as the Marymount University-Ballston Campus.

**DESCRIPTION:** Marymount University has requested to manage and reuse approximately 91,500 cubic yards of soils which contain very low levels of petroleum constituents and metals. These soils would be excavated during a construction project. The request includes the reuse of the soils without siting restrictions on their placement or notification requirements to the Department of Environmental Quality (DEQ) or to the owner of any property receiving the soils. DEQ has granted tentative approval of the management and reuse of the soils in this manner.

**HOW TO COMMENT:** DEQ accepts comments by e-mail, fax, or postal mail. All comments must include the name, address and telephone number of the person commenting and be received by DEQ within the 30-day comment period defined above. The public may review all related variance petition documents at the DEQ Office named below.
